

Gabriel Brault Tardif

Director of Photography

About Gab

Driven through his fascination for pleasing imagery, he decided at a very young age that he was going to commit his life to capturing the aesthetics of life. Ever since, he's been perfecting through various mediums such as fashion projects, music videos, short films, and advertisements. His passion in capturing beauties of the world has brought him around the globe, from the United States, Cuba, Grenada, Morocco and the Nunavik. He is motivated to work hard, on the search for the next visually stunning and captivating project, the next stunning collaboration.
